Christine,
This is complete.

You change roles in a different place from where you add users. You use this option to change the roles:

-
- List people of who can publish in this web
-
-  **Add people**
Add group members.
-
-  **Menus**
Manage group menus.
-
-  **People** 
Manage the group members.
-
-  **Permissions (read-only)**
View the group permissions

Please change  to be an administrator member rather than an editor.

Please note I have never been able to do this in any site – that is, change a role. I always get the message that the user is already subscribed to the group.

Thanks!
